About the Needham 21st Annual Needham Growth Conference

The 21st Annual Needham Growth Conference (NGC) provides institutional, private equity and venture capital investors with access to over 320 growth companies from a broad range of industries, including communications & enterprise infrastructure; healthcare; industrial technology; internet, entertainment & consumer; semiconductors & semiconductor equipment; and software & services. In addition to presentations by senior executives, NGC features outstanding keynote speakers and a variety of thematic panels discussing critical topics that will impact technology markets in 2019 and beyond. NGC provides attendees the opportunity to start the year by uncovering investment ideas through the discussion of key trends in the rapidly changing growth company environment. The two-day conference features public and private company presentations, Q&A sessions, and 1-on-1 meetings for qualified institutional, private equity and venture capital investors. This conference is by invitation only. Please contact your Needham salesperson for registration details as space will be limited.
