PLAN OF DISTRIBUTION

The selling shareholders, which as used herein include donees, pledgees, transferees or other successors-in-interest selling ordinary shares or interests in ordinary shares received after the date of this prospectus from a selling shareholder as a gift, pledge, partnership distribution or other transfer, may, from time to time, sell, transfer or otherwise dispose of any or all of its ordinary shares or interests in ordinary shares or warrants directly or, alternatively, through underwriters, broker-dealers or agents. The selling shareholders may sell their ordinary shares, warrants or interests in ordinary shares in one or more transactions at fixed prices, at prevailing market prices at the time of sale, at varying prices determined at the time of sale, or at negotiated prices. Such sales may be effected in transactions as follows:

- on any national securities exchange or quotation service on which the ordinary shares may be listed or quoted at the time of sale;
- in the over-the-counter market;
- in transactions otherwise than on such exchanges or services or in the over-the-counter market;
- through the writing of options.

In connection with sales of the ordinary shares and warrants offered by this prospectus or otherwise, the selling shareholders may enter into hedging transactions with broker-dealers, which may in turn engage in short sales of the ordinary shares or warrants in the course of hedging the positions they assume. The selling shareholders may also sell ordinary shares and warrants short and deliver ordinary shares or warrants to close out such short positions, or loan or pledge ordinary shares or warrants to broker-dealers that in turn may sell such securities.

The selling shareholders also may resell all or a portion of the shares in open market transactions in reliance upon Rule 144 under the Securities Act of 1933, provided that they meet the criteria and conform to the requirements of that rule.

Under the securities laws of some states, the ordinary shares may be sold in these jurisdictions only through registered or licensed brokers or dealers. In addition, in some states the ordinary shares may not be sold unless they have been registered or qualified for sale or an exemption from registration or qualification requirements is available and is complied with.

We have advised the selling shareholders that the anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of shares in the market and to the activities of the selling shareholders and their affiliates. In addition, we will make copies of this prospectus (as it may be supplemented or amended from time to time) available to the selling shareholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act. The selling shareholders may indemnify any broker-dealer that participates in transactions involving the sale of the shares against certain liabilities, including liabilities arising under the Securities Act.

SELLING SHAREHOLDERS

Beneficial Ownership and Other Information

The following table sets forth information regarding the beneficial ownership of our ordinary shares by the selling shareholders, as of May 25, 2011. Beneficial ownership of shares is determined in accordance with the rules of the SEC and generally includes any shares over which a person exercises sole or shared voting or investment power. Ordinary shares that are subject to warrants or stock options that are presently exercisable or exercisable within 60 days of a specified date are deemed to be outstanding and beneficially owned by the person holding the stock options or warrants for the purpose of computing the percentage ownership of that person, but are not treated as outstanding for the purpose of computing the percentage of any other person.

In January, 2011 Mr. Ofer Adler, our director and former Chief Executive Officer (served as Chief Executive Officer in the Company from February 2008 to August 2010), sold 1,020,000 of our ordinary shares to institutional and accredited investors, listed in (1) to (21) in the table below. We did not receive any proceeds from the offering, and no new shares were issued as a result thereof. Because such ordinary shares sold were restricted shares and were not freely transferable, we agreed to register the shares sold for resale.

Nothing in this prospectus shall be construed as an admission that the selling shareholders are the beneficial owner of any of our securities, other than the securities described in this section.

The following table assumes that the selling shareholders will sell all of the securities owned by them and covered by this prospectus. Our registration of these securities does not necessarily mean that the selling shareholders will sell any or all of the securities.

Except as otherwise noted below the selling shareholders are not broker-dealers or affiliates of a broker-dealer.

Except as indicated in the footnotes to this table, the selling shareholders have sole voting and investment power for the shares beneficially owned by them. Percentage ownership is based on 9,752,420 ordinary shares outstanding on May 25, 2011. Our major shareholders do not have different voting rights than our other shareholders.

DESCRIPTION OF SHARE CAPITAL

Ordinary Shares

Our authorized share capital consists of 40 million ordinary shares, par value NIS 0.01 per share. We may from time to time, by approval of a majority of our shareholders, increase our authorized share capital.

Voting, Shareholder Meetings and Resolutions

Holders of ordinary shares have one vote for each ordinary share held on all matters submitted to a vote of shareholders. This right may be changed if shares with special voting rights are authorized in the future.

Our articles of association and the laws of the State of Israel do not restrict the ownership or voting of ordinary shares by non-residents of Israel, except with respect to citizens of countries that are in a state of war with Israel.

Under the Israeli Companies Law, an annual general meeting of our shareholders should be held once every calendar year, but no later than 15 months from the date of the previous annual general meeting. The quorum required for a general meeting of shareholders consists of at least two shareholders present in person or by proxy holding in the aggregate at least 33 1/3% of the voting power. A meeting adjourned for lack of a quorum generally is adjourned to the same day in the following week at the same time and place or any time and place as the chairperson of the board of directors designates in a notice to the shareholders with the consent of the holders of the majority voting power represented at the meeting voting on the question of adjournment. In the event of a lack of quorum in a meeting convened upon the request of shareholders, the meeting shall be dissolved. At the reconvened meeting, the required quorum consists of any number of shareholders present in person or by proxy.

Our board of directors may, in its discretion, convene additional meetings as “special general meetings.” In addition, the board must convene a special general meeting upon the demand of two of the directors, one fourth of the nominated directors, one or more shareholders having at least 5% of outstanding share capital and at least 1% of the voting power in the company, or one or more shareholders having at least 5% of the voting power in the company. The chairperson of the board of directors presides at each of our general meetings. The chairperson of the board of directors is not entitled to a vote at a general meeting in his capacity as chairperson.

Most shareholders' resolutions, including resolutions to amend our articles of association (except as set forth below), make changes in our capital structure such as a reduction of capital, increase of capital or share split, merger or consolidation, authorize a new class of shares, elect directors, other than external directors, appoint auditors or approve most transactions with office holders will be deemed adopted if approved by the holders of a majority of the voting power represented at a shareholders' meeting, in person or by proxy, and voting on that resolution. Except as set forth in the following sentence none of these actions require the approval of a special majority. Amendments to our articles of association relating to the election and vacation of office of directors, the composition and size of the board of directors and the insurance, indemnification and release in advance of the company's office holders with respect to certain liabilities incurred by them require the approval at a general meeting of shareholders holding more than two-thirds of the voting power of the issued and outstanding share capital of the company.

Dividend and Liquidation Rights

The holders of the ordinary shares are entitled to their proportionate share of any cash dividend, share dividend or dividend in kind declared with respect to our ordinary shares on or after the date of this prospectus. We may declare dividends out of profits legally available for distribution. Under the Israeli Companies Law, a company may distribute a dividend only if the distribution does not create a reasonable risk that the company will be unable to meet its existing and anticipated obligations as they become due. A company may only distribute a dividend out of the company's profits, as defined under the Israeli Companies Law. If the company does not meet the profit requirement, a court may allow it to distribute a dividend, as long as the court is convinced that there is no reasonable risk that such distribution might prevent the company from being able to meet its existing and anticipated obligations as they become due.

Under the Israeli Companies Law, the declaration of a dividend does not require the approval of the shareholders of a company unless the company's articles of association provide otherwise. Our articles of association provide that the board of directors may declare and distribute dividends without the approval of the shareholders. In the event of our liquidation, holders of our ordinary shares have the right to share ratably in any assets remaining after payment of liabilities, in proportion to the paid-up par value of their respective holdings.

These rights may be affected by the grant of preferential liquidation or dividend rights to the holders of a class of shares that may be authorized in the future.

Notices

Our Articles of Association require that we hold shareholders' meetings upon 21 days' prior notice to our shareholders, or 35 days to the extent required under the regulations to the Israeli Companies Law, if the meeting is adjourned for the purpose of voting on any of the following matters: appointment and removal of directors, approval of certain matters relating to the fiduciary duties of office holders) and of certain transactions with interested parties, approval of certain mergers and any other matter in respect of which the articles of association provide that resolutions of the general meeting may be approved by means of a voting document.

Modification of Class Rights

The Israeli Companies Law provides that, unless otherwise provided by the articles of association, the rights of a particular class of shares may not be adversely modified without the vote of a majority of the affected class at a separate class meeting.

Election of Directors

Our board of directors generally consists of seven directors, two of whom qualify as "external directors" for Israeli law purposes and have been determined by our board of directors to qualify as "independent" for Nasdaq Stock Market Purposes as well. Other than external directors, who are subject to special election requirements under Israeli law, our directors are elected in three staggered classes by the vote of a majority of the ordinary shares present and entitled to vote at meetings of our shareholders at which directors are elected. The members of only one staggered class will be elected at each annual meeting for a three-year term, so that the regular term of only one class of directors expires annually. At our annual general meeting held in 2008, the term of the third class, consisting of Gittit Guberman, expired, she did not stand for reelection and Arik Ramot was elected in her place for a three-year term. At our annual general meeting on December 31, 2009, the term of the first class, consisting of Tamar Gottlieb and Yaron Adler, expired, Tamar Gottlieb was reelected, Yaron Adler was not and Arik Czerniak was elected in his place for a three-year term. The external directors will not be assigned a class and will serve in accordance with Israeli law. On March 30, 2009 the term of one of our external directors, Mr. James H. Lee, expired and at the extraordinary shareholder meeting on July 9, 2009, Avichay Nissenbaum was elected as an external director for a three-year term. At our 2010 annual shareholder meeting held on January 6, 2011, David Jutkowitz was reelected for another three year term as an external director of the Company, Ofer Adler was reelected for a three year term as director and Josef Mandelbaum was elected for a three year term as director.

Our registration number with the Israeli Companies Registrar is 51-284949-8. Pursuant to Section 3 of our articles of association, our objectives are the development, manufacture and marketing of software and any other objective as determined by our board of directors.

As of May 25, 2011 we had 10,098,439 ordinary shares outstanding, par value NIS 0.01 per share (out of which 346,019 ordinary shares are dormant shares), and 1,869,738 ordinary shares underlying outstanding options granted under the Company's option plan.

The transfer agent and registrar for our ordinary shares is American Stock Transfer & Trust Company, 59 Maiden Lane, New York, New York 10007.

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

ITEM 8. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Our articles of association allow us to indemnify, exculpate and insure our office holders, which includes our directors, to the fullest extent permitted by the Israeli Companies Law, provided that procuring this insurance or providing this indemnification or exculpation is approved by the audit committee and the board of directors, as well as by the shareholders if the office holder is a director. Our articles of association also allow us to insure or indemnify any person who is not an office holder, including any employee, agent, consultant or contractor who is not an office holder.

Under the Israeli Companies Law, a company may indemnify an office holder in respect of some liabilities, either in advance of an event or following an event. If a company undertakes to indemnify an office holder in advance against monetary liability incurred in his or her capacity as an office holder whether imposed in favor of another person pursuant to a judgment, a settlement or an arbitrator's award approved by a court, the indemnification must be limited to foreseeable events in light of the company's actual activities at the time of the indemnification undertaking and to a specific sum or a reasonable criterion under such circumstances, as determined by the board of directors.

Under the Israeli Companies Law, only if and to the extent provided by its articles of association, a company may indemnify an office holder against the following liabilities or expenses incurred in his or her capacity as an office holder:

- (1) any monetary liability whether imposed on him or her in favor of another person pursuant to a judgment, a settlement or an arbitrator's award approved by a court
- (2) reasonable litigation expenses, including attorneys' fees, incurred by him or her as a result of an investigation or proceedings instituted against him or her by an authority empowered to conduct an investigation or proceedings, which are concluded either (i) without the filing of an indictment against the office holder and without the levying of a monetary obligation in lieu of criminal proceedings upon the office holder, or (ii) without the filing of an indictment against the office holder but with levying a monetary obligation in substitute of such criminal proceedings upon the office holder for a crime that does not require proof of criminal intent
- (3) reasonable litigation expenses, including attorneys' fees, in proceedings instituted against him or her by the company, on the company's behalf or by a third-party, or in connection with criminal proceedings in which the office holder was acquitted, or as a result of a conviction for a crime that does not require proof of criminal intent

Under the Israeli Companies Law, a company may obtain insurance for an office holder against liabilities incurred in his or her capacity as an office holder, if and to the extent provided for in its articles of association. These liabilities include a breach of duty of care to the company or a third-party, a breach of duty of loyalty and any monetary liability imposed on the office holder in favor of a third-party.

A company may, in advance only, exculpate an office holder for a breach of the duty of care. However, a company may not so exculpate an office holder for a breach of the duty of care in connection with a distribution of dividends or a repurchase of the company's securities. A company may not exculpate an office holder from a breach of the duty of loyalty towards the company.

Under the Israeli Companies Law, however, an Israeli company may only indemnify or insure an office holder against a breach of duty of loyalty to the extent that the office holder acted in good faith and had reasonable grounds to assume that the action would not prejudice the company. In addition, an Israeli company may not indemnify, insure or exculpate an office holder against a breach of duty of care if committed intentionally or recklessly, or an action committed with the intent to derive an unlawful personal gain, or for a fine or forfeit levied against the office holder.

Our board of directors and shareholders have resolved to indemnify our directors and our Chief Financial Officer to the extent permitted by law and by our articles of association for liabilities not covered by insurance and that are of certain enumerated events, subject to an aggregate sum equal to 50.0% of the shareholders equity as set forth in the financial report of the preceding year to which a claim for indemnification is made.

ITEM 10. UNDERTAKINGS

(a) The undersigned Registrant hereby undertakes:

- i. To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement;
- i. To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
- ii. To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or any decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and
- iii. To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the registration statement is on Form S-3 or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

- ii. That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- iii. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- iv. To file a post-effective amendment to the registration statement to include any financial statements required by Item 8.A. of Form 20-F at the start of any delayed offering or throughout a continuous offering. Financial statements and information otherwise required by Section 10(a)(3) of the Securities Act of 1933 need not be furnished, provided, that the Registrant includes in the prospectus, by means of a post-effective amendment, financial statements required pursuant to this paragraph (a)(4) and other information necessary to ensure that all other information in the prospectus is at least as current as the date of those financial statements. Notwithstanding the foregoing, with respect to registration statements on Form F-3, a post-effective amendment need not be filed to include financial statements and information required by Section 10(a)(3) of the Securities Act of 1933 or Rule 3-19 of Regulation S-X if such financial statements and information are contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Form F-3.
- v. That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:
 - i. If the Registrant is relying on Rule 430B:
 - A. Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and
 - B. Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

- ii. If the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

(d) The undersigned Registrant hereby undertakes that:

- i. For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the Registrant pursuant to Rule 424(b) (1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.
- ii. For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
